**WE OFFER**

**HANDS-ON LEARNING**

Science comes to life for students in our hands-on labs, our discovery classes and our enrichments. Interdisciplinary studies and school wide activities enrich school life with shared experiences.

**MUSIC, BAND, THE ARTS**

Our communications theme complements our science and technology focus and blends the arts into teaching and learning.

**APPLICATIONS**

To participate in the School Choice process, you must submit an on-time application. Please visit the following link for more information.
